IAB is digital media’s biggest tent, comprised of more than 650 leading media and technology companies that are responsible for selling, delivering, and optimizing digital advertising or marketing campaigns. Working with its member companies, IAB develops technical standards and best practices and fields critical research on interactive advertising, while educating brands, agencies, and the wider business community on the importance of digital marketing. The organization is committed to elevating the knowledge, skills, expertise, and diversity of the workforce across the industry. IAB advocates for its members’ interests and promotes the value of the digital advertising industry to legislators and policymakers.
